Sir,

With reference to your Memo No.G. 6430/G.M. 69-11-69 of the 8th instant, forwarding copy of letter No. 1 dated the 20th May 1912, from the Director of Telegraphs, Madras Circle, and requesting to be furnished with my views as to whether there is any objection to the proposal of the Telegraph Authorities in the matter of the erection of a line to, and the opening of combindd offices at Sidlaghatta and Chintamani, I have the honor to state that the question of opening a combined office at Chintamani having once before been pressed by the townspeople, they were asked to guarantee a sum of Rs1,175 for a period of five years; but as they did not come forward with the required guarantee, it was dropped. As it has new been ascertained that the prescribed guarantee has been reduced to a sum of only Rs515, and that a portion of this amount is to be contributed both by the people of Sidlaghatta and Chintamani as noted in the margin, they are all willing to accept the terms of the guarantee, and have come forward to indemnify the Telegraph Department if the income should fall below Rs515 per annum for a period of five

With reference to my request to the Director of Telegraphs, to convert the Post-office of this place into a combined office, he informs me that in his letter No. 7768 dated the 8th February 1913, that the question has been referred to the Mysore Durbar for the acceptance of the financial responsibility for the guarantee required for converting the offices at Sidlaghatta and Chintamani.
